Mr Wm. B. McKechnie Jr.  
25 Montgomery St.  
Trenton N.J.

Dear Mr McKechnie:

I have put off writing you until now, because I wanted to wait until Your plans for this season were pretty well under way. I assume they are by this time.

What is the outlook for 1946? Do you think we will be able to arrange some of our Negro League games to be played in Trenton? I believe we will have our next meeting in New York about the middle of this month. I know you have been reading some of the things that have been happening to our baseball. They have us a little bit up in the air, but we are going ahead with plans, and hoping they will work out. If it is going to be possible for us to play in Trenton, when do you think you could let us have the available dates.

Incidentally I still owe you a bill. The last time I wrote you about it you did not know what the ammount was. I want you to know I have not forgotten it.

I will be very glad to hear from you so I can know what to plan. We will train in Jacksonville Fla. this year, open camp April 1st. I imagine our league season will start May 5th.

Very Truly Yours
